

Tender Id No. [2021_DSEU_211208_1]

Date: 24/11/2021

Corrigendum for Financial Bid

It has been observed and brought in the notice that Boq available with Tender id No. 2021_DSEU_211208_1 is either corrupt or not working as desired in calculating the total tender value with and without taxes. This may be happened because of the malfunctioning of the file or the formula got distorted or any other technical reasons.

In view of above, it has been decided that participating vendors can use the same Boq file to upload the financial bid. The unit price per person per course (Column M), GST % ((Column N), and HSN will be taken to calculate the total tender value (manually) using following formula

formula

$A = \text{Column M (per person Per Course)} * 6500$

$B = \text{Column N (GST \%)} / 100$

$\text{Total Price} = A + B$

Vendors shall also upload the undertaking in the following format with annexure-3

“We hereby undertake that we will not claim to use the total value with tax and without tax calculated by the Boq file for evaluating the financial bid. The financial bid evaluated on the unit price entered and total tender as calculated by formula mentioned in corrigendum for financial bid will be accepted to us.

Signature, Name and seal of Authorized Person”

This is issued with the prior approval of Competent Authority.
