## SOIL DAY CELEBRATION AT AMBEDKAR DSEU SHAKARPUR CAMPUS - 1

On 05/12/2022, Ambedkar DSEU Shakarpur Campus -1 organized a drawing and poster making competition for students in the FTD in Computer Science Engineering branch. The event took place from 10:30 AM to 12:50 PM in A202 and was attended by over 55 students. Managed by a student task force headed by Ankit Raj (Campus President). The theme of the competition was "One Earth, One Family & One Future," and students were encouraged to create posters and drawings that conveyed this message and the vision of the G20 Summit India 2023.

The G20 Summit is an international summit that brings together leaders from the 20 largest economies in the world to discuss global economic issues and find solutions to common problems. By hosting this competition, Ambedkar DSEU Shakarpur Campus -1 hoped to contribute to the success of the G20 Summit India 2023 by fostering creativity and critical thinking among their students.

Mrs. Tanu Allen, an assistant professor, served as the faculty coordinator for the event. She was impressed by the variety and creativity of the posters and drawings created by the students. Some students chose to depict the theme in a literal way, with images of the earth surrounded by people of different cultures and nationalities. Others took a more abstract approach, using symbolic images and colors to convey the message of unity and shared future.

## EXPERT LECTURE ON THE INTERNET OF THINGS & ITS LIFE CYCLE FOR CE 2ND YEAR

An expert lecture on the Internet of things was organised by Ambedkar DSEU Shakarpur Campus -1 at Edusat Room for CE 2nd year Students from 9:40 am to 11:40 am.

As we all know that this world is full of networks and today's generation is almost dependent on Internet Technology. In view of this our college organised an expert lecture by Mr. Vikram Pratap Singh (Research & Development Head).

This session was fabulous and informative, which make students understand what is the Internet of Things (IOT). It is basically about This is basically physical objects with processing ability, communication networks, software and other technologies with added values of sensors and the Internet.

Students got to know about several daily life IOT examples where Alexa, washing machines, smartphones, and automated light bulbs are some of them. They understood how today's analytics works, and how the share market and medical are connected to the Internet of Things.

Where almost everything around us is IOT so it became IMPORTANT to know about its life cycle. They first sense and collect after that communicate with the other thing then the other device analyses and acts as well. This is just a trailer, the film is still pending...

## SEMINAR ON WAY TO ETERNAL HAPPINESS BY ASHISH SARAF

On 24/12/2022, Ambedkar DSEU Shakarpur Campus -1 organized an online webinar for students in the degree and diploma branches. The event took place from 10:30 AM to 12:30 PM on Google Meet and was attended by over 85 students. Managed by a student task force headed by Ankit Raj (Campus President). The webinar featured an industry expert lecture by Mr. Sachin Duhan, a DTU alumni and software engineer at Your's ThatSenior Pvt. Ltd. The topic of the lecture was placement preparation and resume making, and it was intended to help students get ready for job searches after graduation.

The webinar was organized with the vision of the G20 Summit India 2023 in mind. This international summit brings together leaders from the 20 largest economies in the world to discuss global economic issues and find solutions to common problems. By hosting this webinar, Ambedkar DSEU Shakarpur Campus -1 hoped to contribute to the success of the G20 Summit India 2023 by helping their students gain the skills and knowledge they need to succeed in the job market. Overall, the webinar was a valuable opportunity for students to learn from an experienced software engineer and get practical advice on preparing for their careers. The event was well-received by attendees and helped to further the vision of the G20 Summit India 2023 by supporting the development of the next generation of global leaders. After the webinar concluded, the organizers at Ambedkar DSEU Shakarpur Campus -1 gathered feedback from the students in attendance. Many of them reported that they found the lecture to be very informative and beneficial, and they appreciated the opportunity to ask questions and get guidance from an experienced software engineer like Mr. Sachin Duhan.

One student commented, "I found Mr. Duhan's lecture to be very helpful. He provided a lot of practical tips on how to make my resume stand out and prepare for job interviews. I feel much more confident now about my job search after attending this webinar."

Another student added, "I really enjoyed the Q&A session at the end of the lecture. It was great to have the chance to ask Mr. Duhan any questions I had and get personalized advice. I learned a lot from this webinar and feel better equipped to succeed in the job market."

Overall, the feedback from the students was overwhelmingly positive, and the organizers at Ambedkar DSEU Shakarpur Campus -1 were thrilled with the success of the event. They hope to continue hosting similar events in the future as part of their efforts to contribute to the vision of the G20 Summit India 2023 and support the development of the next generation of global leaders.

## CAMPUS PLACEMENT DRIVE AT AMBEDKAR DSEU SHAKARPUR CAMPUS -1

It is with great pleasure that we announce the selection of Bharat, Ayush, Ankit, Roshan, and Shivam in the placement drive by Centelli. These talented students have been offered the position of Associate Software Developer and will begin their employment at the company's location in Chandigarh.

The selection process for this opportunity included a preplacement talk, a computer-based coding test, and an interview. We are proud to see these students demonstrate their skills and expertise, and we have no doubt that they will excel in their new roles.

We would like to congratulate Bharat, Ayush, Ankit, Roshan, and Shivam on their achievement and wish them the best of luck in their new positions. We are confident that they will make a valuable contribution to the company and have successful careers ahead.

This exciting news serves as a testament to the hard work and dedication of these students, as well as the quality of education and training provided at Ambedkar DSEU Shakarpur Campus. We look forward to continuing to support our students as they embark on their professional journeys.
